Creative

The Cosmo Girls - Resident Choreographer of girl group providing guest entertainment on various cruise lines. Choreographed two full scale production shows as well as demo reel video. Responsible for all movement and staging, creating breakdown videos, teaching current and future cast members, and auditions. Collaborates with creative director and music director.

Norwegian Creative Studios - Install Creative Supervisor and Resident Choreographer of the show remount and cast changeover process for Regent Seven Seas Ship's Production Program. Role requires thorough knowledge of the original show design, intention, direction, choreography, staging, music, script, dramaturgy, and clear understanding of overall intention, function, and design of the technical aspects of multiple show packages. Responsible for the full remount process including pre-production, show tracking, studio rehearsals, put-in rehearsals, tech rehearsals, show openings, cast evaluations and post-production. In charge of teaching all show related material to all cast members (including actors, singers and dancers and working with cast members from around the world), running the rehearsal room and noting the shows. Requires leadership collaboration and adaptability with onboard & shoreside management and creative team members & designers as well as in depth StageWrite proficiency and ability to pull material from video.

RWS Entertainment Group - Show Supervisor working with inaugural casts and original creative teams on brand new shows for MSC Cruise Line. Responsible for documenting new work, maintaining show integrity, and in charge of teaching/rehearsing/installing future casts. Assistant to directors and choreographers during the creative process. Created all StageWrite and video documentation for future use. Choreographed the Christening performance for the Inaugural sailing out of NYC. In charge of making sure the creative concept is brought to life with its original intention and in the highest caliber for the client.
